

English Language Learners and International Students

If your goal is to improve your college communication skills (reading, writing, listening and speaking) we offer a variety of services to assist you.

Students are encouraged to discuss any cultural, social, or professional issue, seek counseling regarding immigration and/or visa concerns, and to request academic assistance when needed.

Services are free for students who are enrolled in credit-bearing courses, and to community members on a fee-for service basis.

- English-language assessment
- Academic Advising
- Group and Individual tutoring
- Grammar Workshop
- Rosetta Stone
- PLATO
- F-1 advising and support
- Au pair Program
- Immigration /visa counseling and support
- International Club
