

LIBERAL ARTS

Associate in Arts

Great Bay's Liberal Arts degree program offers a wide variety of course choices to explore including history, literature, mathematics, humanities, and social, natural and physical sciences.

Completion of the program provides a solid foundation of courses in arts and sciences, allowing students to transfer with confidence to Baccalaureate programs at four-year colleges and universities.

Students develop skills used to interpret facts, solve problems, evaluate issues and think both critically and creatively. Students explore a variety of career paths and how and why work matters to individuals, helping to prepare students to make informed decisions about the majors and/or career paths that are right for them.

The degree provides a strong academic foundation which allows students the opportunity to work in a variety of fields.
