

SURGICAL TECHNOLOGY

Associate in Science

The Surgical Technology Program at Great Bay Community College is the only Associate in Science degree program in the area. The Surgical Technology Program is accredited by the Commission on Accreditation of Allied Health and Education Programs (www.caahep.org | 727.210.2350) upon the recommendation of Accreditation Review Council On Education in Surgical Technology and Surgical Assisting.

Commission on Accreditation of Allied Health Education Programs
9355 – 113th St. N, #7709, Seminole, FL 33775
Website: www.caahep.org 727.210.2350, Email: mail@caahep.org,
Fax: 727.210.2354

The goal of the program is to prepare competent entry-level surgical technologists with the knowledge, skills, and behaviors required for success in their careers. Only 20 students are accepted into this competitive program. Prior to graduation, students will sit for the national certification exam by taking a nationally administered written exam through the National Board of Surgical Technology and Surgical Assisting (NBSTSA).

The Surgical Technology Program starts only in the fall semester.

Surgical Technology Admissions Requirements:

Application must be **COMPLETED** by **April 1st** to be considered for the Fall class.

1. Complete application to the program.
2. Provide official HS transcript or equivalent and prior college, if applicable/seeking transfer credit.
3. Must have completed HS level or equivalent Biology with a “C” or better or provide proof of current enrollment. Computer background is strongly recommended.
4. Place into college level Math, Reading and Writing or demonstrate equivalent competencies through college transcript or SAT scores.

Your Road to *Success*

66-68 Credits to Complete

SURGICAL TECHNOLOGY CURRICULUM:

First Year Fall Semester:

SURG 115G - Basic Instruments, Supplies & Equipment
SURG 118G - Intro to Surgical Technology Fundamentals Theory
SURG 119G - Intro to Surgical Technology Fundamentals Lab
AHLT 110G - Medical Terminology
BIOL 110G - Human Anatomy & Physiology I

First Year Spring Semester:

SURG 116G - Advanced Instruments, Supplies & Equipment
SURG 121G - Surgical Procedures I Theory
SURG 122G - Surgical Procedures I Lab
BIOL 120G - Human Anatomy & Physiology II
ENGL 110G / 111G - College Composition/with Lab

Summer Semester:

SURG 123G - Orientation to Surgical Clinical
MATH 145G/147G - Quantitative Reasoning / Plus
BIOL 210G—Microbiology

Second Year Fall Semester:

SURG 210G - Surgical Procedures II
SURG 215G - Surgical Clinical I
PSYC 110G - Intro to Psychology

Second Year Spring Semester:

SURG 224G - Surgical Procedures III/Special Considerations
SURG 225G - Surgical Clinical II
Foreign Language/Humanities/Fine Arts Elective

Courses are subject to change.
