*The tuition rate is subject to the approval of the Board of Trustees and is subject to change without notice.
*An additional fee will be charged for all Laboratory/Clinical/Practicum or other similar experiences. This fee is calculated by subtracting the number of lecture hours from the number of credit hours and multiplying the remainder by $110. This fee will be added to the normal tuition charge for that course.

EXAMPLE: BIOL 110G   "Anatomy & Physiology"   4 Credits - 3 Lecture Hours = 1X110 = $110

"Please note that charges will be printed out on student Schedule/Bills at College Services One Stop and will be posted to individual Student Information System (SIS) accounts under Student > Student Records > Account Summary by Term."

Rochester Campus

Great Bay Community College in Rochester is an extension of Great Bay Community College located in Portsmouth, with a focus on technical programs and advanced manufacturing, including composites, computer numeric control (CNC), nondestructive testing, and metrology. Programs serve job seekers and business owners from New England and beyond. Short- term certificates and stackable credentials allow for flexibility to meet the growing and rapidly changing needs of skilled workers in technical fields today.

Credit Programs

Advanced Composites Manufacturing (ACM)
Explore multiple career options in advanced technology and specialize in structural composites, quality inspection, or computer numeric control The certificate prepares students for high demand careers in aerospace, marine, automotive and more. Start June 15th and complete the certificate by December 19th, with an option to apply 24 credits towards an associate degree.

Nondestructive Testing (NDT)
NDT is used to test and troubleshoot materials and products to assure safety. Students who are detail oriented, like working with technical equipment, and are interested in quality assurance to keep the world safe, are encouraged to explore this career field. Great Bay's program was recently listed among the top 20 in the US for NDT programs.

CNC
The CNC program prepares students for jobs as computer- controlled milling machine operators for metal and plastics. Students are prepared for entry level jobs as CNC operators and quality inspectors.

Welding
The Welding certificate program provides graduates with the entry level and intermediate skills levels to obtain employment in the field of welding. Upon graduation, students may be proficient in the use of welding equipment, set up and operation for the 5 major processes of: MIG, TIG, Stick, Oxy-fuel, and Plasma as well as auxiliary processes including F-CAW, Aluminum TIG, and Spool guns.

For more information or to attend an Info Session with a lab tour, call (603) 427-7700.

Non-Credit Technical Skill Certificate Programs

Whether you are looking to advance your career or are an employer looking to develop the skill set of current employees, we offer short-term training and professional development programs to meet your needs.

Certificate of Completion in Solidmodeling
Includes two courses to be taken sequentially. Skill development includes technical print reading, Solidworks and Mastercam.

Industrial Maintenance Certificate
Includes three courses that may be taken concurrently to develop skills required to become a safe, productive technician in an industrial environment.

Certificate in Coordinate Measuring Machine (CMM) Programming
Includes three courses to be taken sequentially. Skills include technical print reading, CMM operation, and CMM programming.

For more information on these short-term non-credit certificates, call (603) 427-7700.

Financial Aid at GBCC

What Is It?

Financial Aid provides funds for direct and indirect college expenses. Direct expenses are generally those expenses charged directly to your student account, such as tuition and fees. Indirect expenses are those you pay for out-of-pocket such as for books and transportation to and from college.

Financial Aid includes:
• Grants and Scholarships, which do not have to be repaid; usually based on need
• Loans, which must be repaid; loan type is based on need
• Work-Study, an hourly wage for part-time work

Am I Eligible?

To find out, you need to complete the FAFSA
(Free Application for Federal Student Aid) at www.studentaid.gov ,
and be accepted into an approved program.

How To Apply?

Entering Fall 2020 or Spring 2021

Attend a Virtual Info Session

Join us for a **Virtual Info Session**! Learn about programs, the admissions process - from application to registration, transfer pathways, paying for college/financial aid and more.

Two sessions are held each week – one on Tuesday at 10:00AM and another on Thursday at 5:00pm. Each live event *(via Zoom)*, is hosted by one of our admissions counselors who can also answer any questions you may have.

Take A Virtual Campus Tour

We're looking forward to showing you Great Bay in person. For now, take a **Virtual Tour** and get a glimpse of both the Portsmouth and Rochester campuses.

For more information on our Virtual Info Sessions and Tours visit: **https://www.greatbay.edu/admissions /admissions-events/**
