Glossary

Return Transcript
Tax Return Transcripts show most line items from your tax return (Form 1040, 1040A or 1040EZ) as it was originally filed, including any accompanying forms and schedules. This transcript does not reflect any changes you, your representative or the IRS made after you filed your return. In many cases, a Return Transcript will meet the requirements of lending institutions offering mortgages and student loans.

Record of Account Transcript
Record of Account Transcripts combine the information from tax account and tax return transcripts.

Account Transcript
Tax Account Transcripts provide any adjustments either you or we made after you filed your return. This transcript shows basic data, including marital status, type of return filed, adjusted gross income and taxable income.

Wage & Income Transcript
Wage and Income Transcripts show data from information returns, such as W-2s, 1099s and 1098s, reported to the IRS. Most recent year information may not be complete until July.

An image of your transcript will appear in a new window. Print the full image and submit the document to the Office of Financial Aid at Great Bay.
