All refunds require that the student complete an official withdrawal form. Students who officially withdraw from the college or an individual course by the end of the fourteenth (14th) calendar day of the semester will receive a 100% refund of tuition, less nonrefundable fees. Students in classes that meet in a format shorter than the traditional semester (15-16 weeks) will have seven (7) calendar days from the designated start of that semester, not class, to withdraw for a full refund. If the seventh (7th) or fourteenth (14th) calendar day falls on a weekend or holiday, the drop refund date will be the first business day following the weekend or holiday. Exception: students in courses that meet for two weeks or fewer must drop by the end of the first day of the class in order to get a 100% refund. All Students registered for non-credit workshops, tests, professional training, or seminars must withdraw in writing at least three business days prior to the first session. Payments by cash or check will receive a full refund of tuition and fees. Exception: non-credit workshops, tests, professional training, or seminars registered online with a credit/debit card incur a non-refundable 7.0% transaction fee and a non-refundable \$1.99 administration fee.
