## **Great Bay Community College Rochester**

This information is provided to meet the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998. Great Bay Community College Campus Safety Department prepared this report using statistical and other information supplied by GBCC Student Affairs, Portsmouth Police Department, Newington Police Department, Exeter Police Department, Rochester Police Department, North Hampton Police Department, Rockingham County Sheriff's Department, Strafford County Sheriff's Department, and the New Hampshire State Police.

Great Bay Community College – Rochester is located at 5 Milton Road Rochester, NH.

### **ANNUAL CAMPUS CRIME REPORT: SAFETY AND SECURITY INFORMATION**

Campus Safety coordinates all public safety services with other key College, State, and local officials. Safety Officers do have a regular evening presence at the Rochester Campus and also are available via phone and email to assist with any issues at the Portsmouth Campus. Safety officers are **NOT** sworn law enforcement personnel and do **NOT** have the power of arrest; however, they work very closely with the local police departments and other city departments.

#### **Notice of Availability of Annual Security Report**

Before October 1, an e-mail notification is made to all enrolled students and employees to provide the website URL to access this report. A link to the Annual Security Report is accessible on the Human Resources and Admissions webpages. Paper copies of this report are available by contacting Campus Safety at (603) 427-7697.

The report and crime statistics are updated annually.

### **REPORTING CRIMES AND EMERGENCIES**

All Emergency calls should be made to 911 from all campus and off-campus telephones. Regular business calls of a non-emergency nature can be made to the Campus Safety at (603) 427-7697 or Rochester Police Department (603) 330-7127 at any time.

When notifying Campus Safety or the Rochester Police Department of criminal activity, please provide the following information:

- Your name;
- Location of the incident you are reporting;
- A description of the scene, suspects and the nature of the incident;
- A description of any vehicles involved in the incident, especially a license plate number;

The most important thing to remember is that suspicion of a crime does not require proof if you suspect that a crime is being committed or has been committed call **911** or GBCC Campus Safety at 603-427-7697 immediately.

### **On-Campus Reporting**

When members of the College community receive a report of criminal activity on campus, they should immediately notify Campus Safety. They may also contact a designated **Campus Security Authority** (CSA) who will then consult with Campus Safety.

### **Off-Campus Reporting**

If criminal activity takes place at an off-campus location rented, leased, or owned by the College, community members should contact the local police department with jurisdiction. **The phone number for the Rochester Police Department is 603-330-7127.**

### **Reporting Laws and Policies**

Under NH state law, College officials must report crimes including hazing, child and elder abuse, and treatment given for gunshot wounds. Employees at GBCC should report suspected cases of sexual harassment of students by employees of GBCC to supervisors and, or other appropriate individuals or offices. GBCC officials will also help the victims to report if asked to do so. Crime statistics are gathered annually from GBCC *Campus Security Authorities* via online and campus mail reporting.

Any suspected crime report should be made to a *Campus Security Authority* immediately and communicated to the GBCC Campus Safety. Campus Safety will then contact the Rochester Police Department.

Great Bay Community College has no general written policy regarding confidential reporting that allows the victim or witness to remain anonymous. However, there is an anonymous report available on the Great Bay Community College website on the Campus Safety page. There is a Seacoast Crime Stoppers hotline **(603) 431-1199**, operated 24 hours a day, seven days a week for people to call and confidentially report criminal activity in the City of Rochester. Also, HAVEN located on 20 International Drive in Rochester offers free, confidential, and accessible assistance in reporting sexual or domestic violence. The **HAVEN 24-Hour Crisis Hotline is (603) 994-7233.**

## **CAMPUS SECURITY AUTHORITIES**

If such an official is a pastoral or professional counselor, the official is not considered a campus security authority when acting in that capacity. Campus Security Authorities are:

**During the current COVID-19 Pandemic** – All doors are locked at all times throughout the majority of the day. Access to the building is granted by use of a video door bell and controlled from the front desk.

There is no access to the campus by the public and only limited and specific staff are currently assigned to work on the campus.

Great Bay Community College-Rochester has a fire detection systems and alarms directly connected to the City of Rochester dispatch center. Facilities personnel are present during operating hours and, or are on-call to address the physical needs of the building and any situations or emergencies that may arise.

## EMERGENCY NOTIFICATIONS

Great Bay Community College-Rochester policies guide emergency response and evacuation procedures, including the use of the College's Emergency Notification System. These policies and procedures require the campus director, or designee, to immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on the campus, unless issuing a notification will compromise efforts to mitigate the emergency. Emergency messages will include information on what has occurred and instruction on what to do next.

Emergency notification and updates to the campus community are made through the following mechanisms:

- **Rave:** a free service that automatically sends a brief text message alerting the community regarding an emergency on the Rochester campus to email accounts or cell phones. GBCC students, faculty, staff, and affiliates can sign up at <http://www.getrave.com/login/greatbay>
- **Directed Communications/Blast email:** Using the GBCC email system to alert students, faculty, and staff.
- **Fliers:** posted on bulletin boards, outdoor boards, and kiosks.
- **GBCC website:** <http://greatbay.edu>
- **Local area radio and television stations and print media.**

Please visit <http://greatbay.edu/campus-life/campus-safety> for emergency response and evacuation procedures. Emergency response and evacuation procedures are tested on an annual basis. Notice of the annual test is made through GBCC social media, and email system.

## TIMELY WARNINGS

In compliance with the **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act** (Clery Act), the Great Bay Community College Campus Safety will post **timely warnings** for the College to notify members of the community about serious or continuing crimes that occur on campus. Knowing such crimes will assist community members in making informed decisions about their safety and in preventing similar crimes from occurring. These warnings are posted if a serious crime on campus constitutes an ongoing or continuing threat to the community. These crimes should

be reported to the GBCC Campus Safety, a GBCC Campus Security Authority, or the Rochester Police Department.

The decision to issue a timely warning will be decided on a case-by-case basis in compliance with the Clery Act. The decision is made by the GBCC Safety Chief or his/her designee, considering all available facts, whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts.

**The Great Bay Community College Campus Safety may issue timely warnings for the following incidents:**

- Criminal Homicide
- Sex Offenses (Rape, Fondling, Incest, and Statutory Rape)
- Robbery
- Aggravated assault
- Burglary
- Motor Vehicle Theft
- Major incidents of Arson
- Domestic Violence, Dating Violence or Stalking
- Hate Crimes
- Other crimes as determined necessary by the Chief of GBCC Campus Safety, or designee, in the absence of the Supervisor.

**The Great Bay Community College Campus Safety does not issue timely warnings for the above-listed crimes if:**

- The subject(s) apprehended and the apprehension has mitigated the threat of imminent danger to the GBCC community.
- If a report was not filed with GBCC Campus Safety or if campus security authorities did not notify GBCC Campus Safety in a manner that would allow the department to post a “timely” warning to the community. Unless there are extenuating circumstances, a report that is filed more than five days after the date of the alleged incident may not allow GBCC Campus Safety to post a “timely” warning to the community. This type of situation will be evaluated on a case-by-case basis.

A timely warning and updates will be distributed to the campus through any one or more of the following mechanisms:

- **Rave:** a free service that automatically sends a brief text message alerting the community regarding an emergency on the Rochester campus to email accounts or cell phones. GBCC students, faculty, staff, and affiliates can sign up at <http://www.getrave.com/login/greatbay>
- **Directed Communications/Blast email:** Using the GBCC email system to alert students, faculty, and staff.
- **Fliers:** posted on bulletin boards, outdoor boards, and kiosks.

- **GBCC website:** <http://greatbay.edu>
- **Local area radio and television stations and print media.**

A copy of the timely warning will be filed in the corresponding case file.

Great Bay Community College Campus Safety may also issue “**Safety Alerts,**” when necessary, to appraise the GBCC community of safety issues and concerns. These “safety bulletins” will include safety tips and recommendations to follow so that the GBCC community can make informed decisions about personal safety.

Great Bay Community College Campus Safety also maintains a daily crime log that contains all crimes reported to the department. The daily crime log is available at the Main Security desk in Portsmouth on the 1<sup>st</sup> floor.

### **SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING**

The procedures that GBCC will follow once an incident of domestic violence, dating violence, sexual assault, or stalking has been reported mirror those already covered in this publication. A student or employee who reports to GBCC that s/he has been a victim of domestic violence, dating violence, sexual assault, or stalking, whether it occurred on or off-campus, will be provided with a written explanation of his or her rights and options as outlined in this publication. Also, the GBCC Title IX Coordinator will be informed of any, and all reports, and will coordinate, as appropriate, with the police, Office of Community Standards and other campus staff on a need-to-know basis.

Prevention of retaliation: No officer, employee, or agent of GBCC shall retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights or responsibilities under the Campus SAFE Act. Title IX already prohibits such retaliation.

During August 2018, orientation and fall 2018, all new and incoming students and new employees will be informed about primary prevention and awareness programs and learn that GBCC prohibits domestic and dating violence, sexual assault, stalking or any form of sexual violence. The definitions of these violations are covered earlier in this publication and New Hampshire RSA links below.

Guidelines regarding consent and expressed permission: the following guidelines may help guide your choices while at GBCC

***Expressed Consent at GBCC:*** consent to engage in sexual activity must be given by each partner. Expressed Consent is mutual agreement, based on shared desire for specific sexual activities that are expressed verbally or nonverbally. Examples of expressed consent include, but are not limited to: (a) an ongoing verbal interaction, taken one step at a time, to engage in escalating sexual intimacy; (b) mutual awareness of possible unwanted consequences of sexual activities such as pregnancy and sexually transmitted diseases and taking precautions to avoid these consequences and (c) an ongoing

recognition that consent to some sexual activities does not imply consent to other, different, or more intimate sexual activities”.

Examples of non-consensual sex include but are not limited to: threatening, forcing, manipulating, intimidating, blackmailing, drugging, and causing a person to become intoxicated as a substitute for expressed consent or engaging in unwelcome sexual activity with a sleeping or incapacitated person.

New Hampshire Law RSA 632-A describes the circumstances where sexual activity is not considered consensual. The safest, least ambiguous way to seek and receive consent is to use words. If you want consent, ask verbally and require a verbal answer. There should be mutual agreement, based on a shared desire for specific sexual activities and mutual discussion and awareness of the possible consequences for sexual activity. Remaining open, respectful, and accepting of each partner’s expressing of agreement or disagreement to engage in sexual activity.

**Expressed permission** is an ongoing interaction, step by step, that leads to an expressed “yes” from both partners. Seeking and receiving express permission to engage in sexual activity is least ambiguous when the behavior of seeking and expressing permission is done with words. Although it may be possible to seek and express permission without words, consent is far clearer when done with words. Ambiguity can lead a person to think that they sought permission or received permission when in fact, they did not.

The GBCC Title IX Coordinator is the Director of the Affirmative Action and Equity Office. URL is [www.GBCC.edu/affirmativeaction/index.html](http://www.GBCC.edu/affirmativeaction/index.html)

***If you are a victim of sexual assault or any form of sexual violence, you may choose to:***

- Call 911 and report the incident to the police. Once you report the crime, the police are then obligated to begin a formal investigation;
- Contact confidential support resources: HAVEN advocate at (603) 994-7233 (SAFE) to discuss your options. All services are free and confidential. Advocates can be reached 24hours a day/ 7-days a week/ 365-days/year. Advocates can accompany you to the hospital, police, GBCC Title IX, Student Conduct, court and other systems. HAVEN provides ongoing support and assistance, including academic interventions, referrals, and support options for short term and long-term care.
- Seek medical attention. Emergency Departments throughout NH can examine and treat any injuries you may have received. Emergency rooms can also prescribe emergency antibiotics to prevent the spread of some STDs as well as emergency contraceptives to prevent unwanted pregnancy;
- Most NH hospitals employ specially trained Sexual Assault Nurse Examiners (SANE). Some SANEs need to be called into the hospital, so it may be helpful for victims (or advocates) to call ahead to notify the hospital that a victim will be arriving.

- Complete a Sexual Assault Forensic Examination Kit. This kit, provided by the NH Attorney General’s Office, collects evidence that could be helpful if you decide to report the assault to the police. Kits can be completed in any NH Emergency Department without charge to the victim, even if the victim chooses not to proceed legally. If you are thinking about completing a kit, please note the following:
- Victims may choose to complete the kit anonymously. The kit will be referenced with an identification number and stored by the State for three months. At any time during this period, the victim can report the crime and the kit will be brought forward to the NH Crime Lab for analysis;

Evidence diminishes over time. Anyone reporting a sexual assault to emergency department personnel should be offered the option of completing an evidence collection kit up to 5 days after the assault. However, time, washing, changing one’s clothes or “cleaning up” after the assault will all increase the likelihood that valuable evidence will be destroyed. It’s important to bring a complete change of clothing if possible. Clothing worn at the time of the assault may contain evidence and will, likely, be taken as part of the kit.

- Hospitals in N.H. are required to immediately call an advocate from the local crisis center whenever someone seeks services for sexual assault. It is your choice whether you speak with him/her at that time.
- **Receive testing for date rape drugs** – If you believe that you may have been drugged as part of the assault, you can ask emergency department staff to test for the presence of drugs in your system. Because date rape drugs decompose quickly within your system, blood tests must be done within 48 hours of ingesting the substance. A urine test may contain evidence up to 72 hours after ingestion; receive follow-up testing and care for pregnancy and, or STD’s.

### **Victim/Survivor Advocates**

HAVEN in Rochester provides trained advocates who are available 24 hours a day. Advocates can accompany you to the police department, hospital, and court; help provide confidential emergency shelter; and provide ongoing support and assistance. HAVEN of Rochester is located at 20 International Drive in Portsmouth, and their main number is (603) 436-4107, their **24- hour crisis line is (603) 994-7233**, and their website is <https://havennh.org/>

**NH Coalition against Domestic and Sexual Violence:** 24-hour hotline for domestic violence is 1-866-644-3564, and 24hour hotline for sexual assault is 1-800-277-5570.

In accordance with the US Department of Education, Office of Civil Rights guidelines, “responsible employees” who learn of an incident involving a member of the GBCC community must report incidents of sexual violence to either the Director of Affirmative Action or GBCC-M Campus Safety(GBCC Police Department). A “responsible employee” is obligated to report incidents of sexual violence. A “responsible employee” is defined by the Office of Civil Rights as an employee who has the authority to take action to redress sexual violence, who has been given the duty of reporting incidents

of sexual violence or any other misconduct by students to the Title IX Coordinator or other appropriate school designee, or to whom a student could reasonably believe has the authority or duty.” Campus Sexual Violence Elimination Act of 2013.

See <http://www2.ed.gov/about/offices/list/ocr/docs/qa-201404-title-ix.pdf> for complete text of The US Department of Education, Office of Civil Rights “Questions and Answers on Title IX and Sexual Violence,” guidance document, dated April 29, 2014.

Faculty and staff who are victims of sexual assault, domestic violence, dating violence or stalking or who wish to receive more information about prevention, counseling, advocacy, or other services may also contact their GBCC Human Resources Partner.

### **CAMPUS SEX CRIME PREVENTION ACT AND DUTY TO REPORT**

Under the Federal Campus Sex Crimes Prevention Act, sex offenders who are otherwise required to register in a state must notify the state of each institution of higher education at which the offender is employed, enrolled as a student or carries on a vocation. If a registered sex offender is employed, enrolled or carries on a vocation at the College, the State of New Hampshire must promptly notify the College and Rochester Police Department. Under [CHAPTER 651-B: REGISTRATION OF CRIMINAL OFFENDERS](#), a convicted sex offender, who is required to register, must inform the appropriate law enforcement authorities of his or her mailing address, place of residence or temporary domicile, and place of employment or schooling.

Members of the GBCC community who wish to obtain information regarding registered sex offenders should contact Rochester Police Departments to review the registry. Community members may also obtain Megan's Law information from the state's Web site at <http://business.nh.gov/NSOR/search.aspx>

### **ALCOHOL AND ILLEGAL DRUGS**

The Great Bay Community College is committed to maintaining an environment of teaching and learning that is free of illicit drugs and alcohol. For many years, the College has had in place a policy to assist those with substance abuse, and a list of agencies available to support faculty, staff, and students is provided in various

Great Bay Community College's publications. The Drug-Free Schools and Communities Act Amendments of 1989 require that the Great Bay Community College, as a recipient of federal funds, including federally provided student financial aid, notify its students and employees annually that the unlawful possession, use, or distribution of illicit drugs and alcohol on College property is prohibited.

In compliance with the requirements of the Drug-Free Schools and Communities Act Amendments of 1989, all students and employees of the Great Bay Community College are notified of the following:

- A. The unlawful possession, use, and distribution of illicit drugs and alcohol on the College campus or during College-sponsored activities are prohibited.

- B. Students and employees who are found to violate this stated prohibition may be subject to arrest and conviction under the applicable criminal laws of local municipalities, the State of New Hampshire, or the United States. A conviction can result in sanctions, including probation, fines, and imprisonment.
- C. Students who are found to violate this stated prohibition are subject to discipline under the procedures of the Student Conduct System.
- D. Discipline may include disciplinary probation or dismissal from the College.
- E. Faculty and staff employees who are found to be in violation of this stated prohibition are subject to discipline in accordance with the applicable College employment rules and procedures. Discipline may include probation, suspension, or termination of employment. In addition to the above requirements, and in accordance with the requirements of the Drug-Free Workplace Act of 1988, all employees are notified that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance by College employees on College premises or off our premises while conducting College business is prohibited. Violation of this policy will result in disciplinary action, up to and including termination and may have further legal consequences.

## **PREVENTION AND AWARENESS RAISING ACTIVITIES**

This program is an interactive presentation of what is sexual violence, relationship violence, and stalking. This program includes information and statistics about incidence here at GBCC and the larger community. This program also includes campus resources for survivors and allies of survivors.

#### ***Living in a Rape Culture***

*This program is approximately 60 minutes.*

culture is and how this context affects the daily lives of women and men differently. This program will use exercises and visuals to facilitate discussion about rape culture

***You Can Help!***

*The requestor determines the duration of this program.*

This program engages Herons about the importance of their role in helping to end sexual violence at GBCC. The program empowers students to help make GBCC a safer community.

Faculty and staff who are victims of sexual assault, domestic violence, dating violence or stalking or who wish to receive more information about prevention, counseling, advocacy, or other services may also contact their GBCC human resource partner.

Great Bay Community College provides information to students and employees about various services on and off campus regarding sexual assault and relationship violence. Immediately below is a list.

**SAFETY TIPS, RESOURCES, SERVICES AND OTHER ASSISTANCE**

The Great Bay Community College provides direct service programs to the members of the College community. Groups in the Rochester area also provide programs and services to the members of the College community programs which are dedicated to the prevention of crime on campus; they vary in scope and content, with the emphasis on community involvement. Specific programs dealing with campus safety include the following:

**City (Rochester)**

Seacoast Mental Health Center	603 668-4111
NH Area Assembly of Alcoholics Anonymous	(800) 593-3330
HAVEN (domestic and sexual violence)	603 994-7233

**GBCC Campus Safety (603-427-7697)**

Campus Safety provides and facilitates various lectures, discussions, and training throughout the academic year on safety and security-related topics. The key to preventing crime is awareness, which is best achieved through education. At GBCC, security, faculty, staff, students, and others help one another to take responsibility for their respective safety and security.

**General Safety Tips**

Here are some easy ways to prevent thefts and other crimes to yourself and your property while on campus:

**When you park:**

Lock ignition and remove keys. Close and lock windows and doors.

Keep all valuables out of sight; use the trunk whenever possible. Choose a well-lit area to park at night.

When returning to your vehicle, have your keys ready and check interior before entering.

**When you walk:**

**NEVER WALK ALONE**, especially at night.

Do not take shortcuts; travel well-lit busy routes.

If you feel like you're being followed, change directions and head for an area with lights and people. If you're in trouble, **SCREAM!!!** It's your number one defense.

**When you report suspicious persons or incidents:**

**Call 911 or 603-427-7697** and stay on the phone where it is safe or until told otherwise.

Supply the address of the incident.

Give the number of individuals who are involved.

Describe what is happening.

Obtain a description of suspects (approximate age, height, weight, complexion, and clothing) Notice if any weapons are involved.

**When you drive:**

Do not pick up hitchhikers.

Keep your doors locked; be alert at traffic stops.

Do not lower windows for strangers; demand credentials.

If stalled, ask for aid through a cracked window; remain in your vehicle; travel on well-lit streets.

**Tips on Being an Effective Bystander**

Sexual assault and relationship abuse impact many people on college campuses. Nationally, it's estimated that one in five women will be sexually assaulted in their lifetimes and that they are most vulnerable between the ages of 16 and 24. College aged men and women also experience relationship abuse at high rates. As a bystander, you may wonder what you can do to help.

***Herons are Active Bystanders***

Most people don't commit sexual assault or hurt their partners. However, learning to recognize the signs when someone is in danger, and stepping in to prevent it, is important, this is called being an active bystander. Active bystanders learn how to recognize and safely intervene in potentially dangerous situations. Sometimes this means distracting someone who appears to be targeting someone too drunk to consent. Other times, it means reaching out to GBC staff or the police for help.

***Some simple steps to becoming an Active Bystander:***

**Notice the situation:** Be aware of your surroundings.

- **Interpret it as a problem:** Do I recognize that someone needs help?
- **Feel responsible to act:** See yourself as being part of the solution to help.
- **Know what to do:** Educate yourself on what to do.
- **Intervene safely:** Take action but be sure to keep yourself safe.

***How to Intervene Safely:***

- **Tell another person.** Being with others is a good idea when a situation looks dangerous.
- **Ask a victim if he/she is okay.** Provide options and a listening ear.
- **Ask the person if he/she wants to leave.** Make sure that he/she gets home safely.
- **Call the police (911) or someone else in authority or yell for help.**
- **Or call the National Sexual Assault Hotline at 1.800.656.HOPE.**

***Acting as a community helps GBCC be a safe place. Remember these tips when you are out***

**What can my friends and I do to be safe?**

**Have a plan.**

Talk with your friends about your plans for the night **BEFORE** you go out. Do you feel like *drinking*? Are you interested in *hooking up*? Where do you want to go? Having a clear plan ahead of time helps friends look after one another.

**Go out together.**

Go out as a group and come home as a group; never separate and never leave your friend(s) behind.

**Watch out for others.**

If you are walking at night with friends and notice a woman walking by herself in the same direction, ask her to join you, so she doesn't have to walk alone.

**Diffuse situations.**

If you see a friend coming on too strong to someone who may be too drunk to make a consensual decision, interrupt, distract, or redirect the situation. If you are too embarrassed or shy to speak out, get someone else to step in.

**Trust your instincts.**

If a situation or person doesn't seem "right" to you, trust your gut and remove yourself, if possible, from the situation.
