

Liberal Arts Electives List

Not all courses are offered each semester. Check SIS.

**Students must meet the course prerequisite (p) or co-requisite (co) criteria.
See the college catalog, Navigate, Degree Works, or SIS for pre- or co-requisites.**

ENGLISH

Any English course (ENGL) 100 level or higher.

ENGL114G - Introduction to Poetry (p) or (co)	ENGL213G - Creative Writing (p)
ENGL115G - Introduction to Film Studies (p) or (co)	ENGL214G - Introduction to Creative Nonfiction (p)
ENGL117G - Introduction to Literature (p)	ENGL215G - Writing Technical Documents (p)
ENGL120G - Intro. to African-America Literature and Culture (p) or (co)	ENGL220G - American Literature after Civil War (p)
ENGL127G - Introduction to Literary Analysis (p)	ENGL222G - Major Writers (p)
ENGL201G - Film and Society (p)	ENGL223G - British Literature to 1800 (p)
ENGL209G - American Literature through the Civil War (p)	ENGL224G - British Literature from 1800 to present (p)
ENGL210G - Oral Communications (p)	ENGL289G - Internship in the Humanities (p)
ENGL212G - Women's Literature (p)	

MATH

*Any course with the academic subject code of MATH or DATA 100 level or higher;
programs that require two maths must complete sequential math courses.*

DATA210G - Elements of Data Science (p)	MATH215G - Finite Mathematics (p)
DATA220G - Data Analysis with R (p)	MATH225G - Probability and Statistics (p)
MATH145G - Quantitative Reasoning (p)	MATH230G - Calculus I (p)
MATH147G - Quantitative Reasoning Plus (p)	MATH235G - Statistics for Engineers and Scientists (p)
MATH150G - College Algebra (p)	MATH245G - Introduction to Linear Algebra (p)
MATH152G - College Algebra Plus (p)	MATH250G - Calculus II (p)
MATH170G - Discrete Mathematics (p)	MATH265G - Differential Equations (p)
MATH210G - Pre-Calculus (p)	MATH270G - Calculus of Several Variables (p)

SOCIAL SCIENCE

Any course with the academic subject code of ANTH, ECON, GEOG, HIST, POLS, PSYC, SOCI 100 level or higher and select CRMJ courses.

ANTH101G - Anthropology	POLS101G - Politics and Society
ANTH105G - Introduction to Ethnography: The World of Work	POLS103G - The United States in the World
ANTH135G - Introduction to Gender Studies	POLS110G - American Government
ANTH202G - Introduction to Archaeology	POLS210G - Introduction to Political Science
CRMJ150G - Criminology	POLS220G - Public Administration
CRMJ206G - Victim Rights and Advocacy	PSYC110G - Introduction to Psychology
ECON225G - Personal Finance	PSYC140G - Introduction to Social Work
ECON234G - Macroeconomics	PSYC150G - Social Welfare and Policy
ECON235G - Microeconomics (p)	PSYC205G - Crisis Intervention (p)
ECON237G - Entrepreneurship-Launching Your Business (p)	PSYC210G - Human Growth & Development (p)
GEOG110G - World Geography	PSYC215G - Pathopsychology (p)
HIST120G - Western Civilization through 1500	PSYC222G - Psychobiology (p)
HIST130G - Western Civilization 1500 to Present	PSYC230G - Educational Psychology (p)
HIST201G - History of New England	PSYC235G - Health Psychology (p)
HIST202G - US History through 1870	PSYC241G - Social Science Research Methods (p)
HIST204G - US History – 1870 to Present	SOCI110G - Sociology
HIST209G - The Scientific Revolution in Europe	SOCI120G - Society and Technological Change
HIST210G - History of China	SOCI250G - Cross-Cultural Conflict Resolution
HIST211G - Modern Middle East History	SOCI255G - Societal Approaches to Health Care Systems (p)
HIST212G - US History Since 1945	

SCIENCE	
<i>Any course with the academic subject code of BIOL, CHEM, or ESCI, PHYS100G level or higher, as well as BTEC105G .</i>	
BIOL100G - Concepts in Biology *	BTEC105G - Introduction to Biotechnology *
BIOL101G - Human Disease *	CHEM110G - Introduction to Chemistry (p) *
BIOL106G - Human Body *	CHEM115G - General Chemistry I (p)
BIOL108G - Biology I (p)	CHEM116G - General Chemistry II (p)
BIOL109G - Biology II (p) *	CHEM200G - Organic Chemistry (p)
BIOL110G - Human Anatomy & Physiology I (p)	CHEM205G - Biochemistry (p)
BIOL120G - Human Anatomy & Physiology II (p)	ESCI110G - Earth Science *
BIOL150G - Nutrition *	PHYS135G - College Physics I (p)
BIOL160G - Introduction to Environmental Science *	PHYS136G - College Physics II (p)
BIOL200G - Professional Skills and Exploration for STEM students (p)	PHYS290G - University Physics I (p)
BIOL210G - Microbiology (p)	PHYS295G - University Physics II (p)
BIOL220G - Principles of Genetics (p)	PSYC222G - Psychobiology (p) *
BIOL230G - General Ecology (p)	* Appropriate choices for non-science majors
FOREIGN LANGUAGE/HUMANITIES/FINE ARTS	
<i>Any 100 level or higher course with the academic subject code of AMER, ARTS, ASL, CRIT, ENGL, PHIL, SPAN, as well as specific HIST courses</i>	
AMER110G - Introduction to American Studies	ENGL120G - Introduction to African-America Literature and Culture (p) or (c)
AMER210G - American Studies Seminar	ENGL127G - Introduction to Literary Analysis (p)
ARTS103G - Fundamentals of Acting	ENGL201G - Film and Society (p)
ARTS105G - Introduction to Music	ENGL209G - American Literature through the Civil War (p)
ARTS107G - Blues, Jazz, and Rock and Roll	ENGL210G - Oral Communications (p)
ARTS117G - Art History I	ENGL212G - Women's Literature (p)
ARTS121G - Jewelry Design and Metalsmithing	ENGL213G - Creative Writing (p)
ARTS123G - Drawing I	ENGL214G - Introduction to Creative Nonfiction (p)
ARTS124G - Art, Design, & Color	ENGL220G - American Literature after Civil War (p)
ARTS125G - Visual Language (p)	ENGL222G - Major Writers (p)
ARTS126G - Typography	ENGL223G - British Literature to 1800 (p)
ARTS127G - Art History II	ENGL224G - British Literature from 1800 to the present (p)
ARTS137G - Contemporary Art History	ENGL289G - Internship in the Humanities (p)
ARTS203G - Fundamentals of Acting II (p)	FREN110G - French I
ARTS220G - Painting I (p)	FREN120G - French II (p)
ARTS223G - Drawing II (p)	HIST120G - Western Civilization to 1500
ARTS225G - Watercolor Painting (p)	HIST130G - Western Civilization 1500 to Present
ARTS230G - Introduction to Printmaking (p)	HIST140G - World History to 1500
ARTS235G - Sculpture and 3D Form (p)	HIST150G - World History Since 1500
ASL110G - American Sign Language I	PHIL110G - Introduction to Philosophy
ASL120G - American Sign Language II (p)	PHIL215G - World Religions
CRIT150G - Critical Thinking in the Humanities	PHIL240G - Ethics
ENGL114G - Introduction to Poetry (p) or (co)	SPAN110G - Spanish I
ENGL115G - Introduction to Film Studies (p)	SPAN120G - Spanish II (p)
ENGL117G - Introduction to Literature (p)	
LIBERAL ARTS	
<i>Any course with academic subject code of NATR, as well as any course listed under the following elective categories 100 or 200 level</i>	
English	Social Science
Foreign Language/Humanities/Fine Arts	NATR100G - Natural Resources Stewardship
Math/Data	NATR105G - Sustainable Agriculture & Food Systems
Science	NATR299G - Contemporary Conservation Issues & Environmental Awareness
OPEN	
<i>Any course that the college offers - 100 level or higher with the exception of courses within selective programs</i>
