SPRING 2024 Registration Policies and Deadlines

Refund Deadlines

- Students who officially withdraw (drop) from the college or an individual course by the end of the fourteenth (14th) calendar day of the semester will receive a 100% refund of tuition, less non-refundable fees. (Non-refundable fees are the advanced tuition deposit, application fee, and orientation fee.) Students in classes that meet in a format shorter than the traditional semester (15-16 weeks) will have seven (7) calendar days from the designated start of the alternative semester to withdraw for a full refund. If the seventh (7th) or fourteenth (14th) calendar day falls on a weekend or holiday, the drop refund date will be the first business day following the weekend or holiday. ♦/♦♦

♦ **Exception:** Students in courses that meet for two weeks or fewer must drop by the end of the **first day of the class** in order to get a 100% refund.

♦♦ **Non-Credit Workshops/Courses Exception:** Students registered for Non-Credit Workshops/Courses must withdraw (drop) in writing at least **three days prior to the first session** in order to receive a full refund of tuition and fees (includes Adult Ed Workshops).

♦♦♦ **SJS Web Drop** with 100% Refund open to matriculated students through the 100% Refund Deadlines listed. (Certain restrictions apply. Go to <https://portal.ccsnh.edu>.)

♦♦♦♦ **Financial Aid:** Full-time enrollment is usually not required to maintain eligibility for financial aid. Consult with a One Stop professional if you have questions or need a consultation with a Financial Aid professional.

Pell Grant, SEOG, and Unique awards are calculated based on your enrollment status and are subject to a “freeze date.” After your freeze date, if you add or drop credits, your grants will not be adjusted unless you fail to attend your course(s) or fully withdraw. Financial Aid cannot pay for any course you fail to attend. If you plan to register for a

combination of full term and late-start classes, you should register for **ALL** of your courses no later than **Tuesday, February 6**. This will allow you to maximize your grant funding. If you plan to register for a combination of late-start courses that begin on different dates, you should register for all of your late start courses at the same time to help maximize your grant funding.

Loans are not subject to the “freeze date” and will pay only if you are registered for at least 6 credits on your loan disbursement date. If you have any questions, please contact the Financial Aid Office to discuss your award status at gbfinaid@ccsnh.edu or call (603)427-7610.
